WHAT: Culpepper & Terpening to launch GIS Department

Fort Pierce: Culpepper & Terpening is pleased to announce that Travis Gibbons has been hired to develop and implement a GIS Division. The launch of the GIS Services Division will provide the company and its clients the tools to provide efficient data management and modeling. GIS allows the company to track and analyze its client's needs which will, in turn, help the company to expand its services into new markets. Also, clients will be able use the company as a resource for GIS mapping services for the multitude of potential projects clients bring to the company.

Gibbons is the Project Manager in charge of GIS Services as of October of 2007. Gibbons joined Culpepper and Terpening after working 5 years for the City of Fort Pierce as Planning Administrator and GIS Specialist. A graduate of the University of Oklahoma, Gibbons is also a member of the American Planning Association.

Culpepper and Terpening is a multidisciplinary consulting firm with over three decades of specialization in civil engineering and surveying services on Florida's Treasure Coast. Culpepper and Terpening has pioneered the solutions to some of Florida's most unique engineering challenges for both public and private clients. As the region has grown, so has the organization to comprise seven disciplines necessary to further facilitate the 'Treasure Coasts' Infrastructure needs; Transportation, Utilities, Schools and Institutions, Land Development, Surveying, Construction Engineering Inspection and Finance. Culpepper and Terpening is located at 2980 South 25th Street in Fort Pierce. They may be reached by calling 772-464-3537 or visiting ct-eng.com on the web.
