Dear Sherry & Butch:

Thank you for sponsoring a table at our Outback Steakhouse "Steak & Stake" event. As we announced at the dinner, thanks to the corporate gift from Outback providing all meals at no cost, 100% of your table sponsorship will provide services directly to our members. We anticipate over \$26,000 raised that evening, not including the \$5,000 gift from former Senate President Ken Pruitt and the \$1,000 donation from Westfest that was presented at the dinner.

Not only did our members enjoy their dinners but even the most shy of the kids had a great time talking about their club, the staff and the activities. I know most of our guests thoroughly enjoyed meeting our members and many commented on how bright and outgoing they were. The social etiquette that our youngsters learn for this event and the opportunity to exercise what they have learned is a valuable skill for their future. Thank you for including two youth at your table.

We know the difficulties that the economy has created for business leaders; therefore, we are even more thankful that you were able to support our Club this year. We sold out the event and added two tables thanks to generous companies like yours. Thank you for your investment in our children.

Very truly yours,
